Discover what Lighthouse can do for you.

Why Lighthouse?

Since 1995, Lighthouse has evolved from moving pallets of paper to managing petabytes of data globally. With hard work and commitment, we've innovated along with our clients, and now provide information governance, compliance, and ediscovery technologies and services to Fortune 500 companies and Am Law 100 law firms.

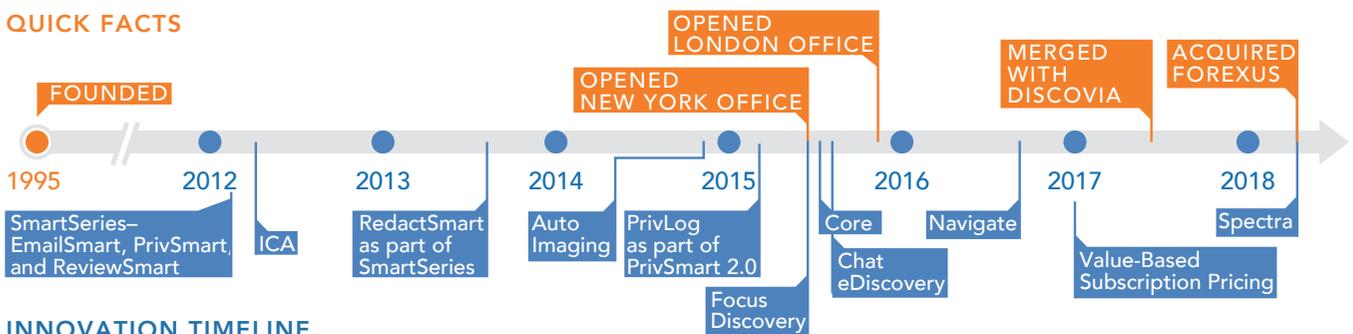

Our clients are leaders in their field, highly innovative, and highly pragmatic. We have developed our technologies and tailored our services and our approach to solve persistent challenges, with innovation and pragmatism always at the forefront. This approach has led Lighthouse to become the fastest-growing company in our field worldwide.

Smart Innovation

At Lighthouse, we have built a culture of innovation – it's at the heart of everything we do. We simplify complex problems using a combination of proprietary innovations and third-party technologies, including Nuix, Relativity, Equivio, and Brainspace. As early adopters of these best-in-class technologies, we leverage them to deliver new and better solutions to clients.
